STATEMENT BY GREY2K USA ON LAKES REGION GREYHOUND PARK AND ATTORNEY GENERAL RECOMMENDATION

*Nation's Largest Greyhound Protection Group Applauds Attorney General; Calls on
Pari-Mutuel Commission to Follow Recommendation and Revoke Dog Track License*

“Attorney General Kelly Ayotte should be applauded for her recommendation that the state revoke the New Hampshire Gaming Association’s license to conduct greyhound racing.

In light of recent facts, it is clear that the integrity of wagers placed at Lakes Region Greyhound Park have been seriously compromised. It is now imperative that the Pari-Mutuel Commission follow through on the Attorney General’s recommendation and immediately rescind the track’s greyhound racing license.

Apart from revoking this license, a thorough investigation must also take place to determine what role the Pari-Mutuel Commission played, if any, in allowing this entity to continue to operate.

The fact that convicted felons apparently ran an illegal gambling scheme out of Lakes Region Greyhound Park for several years is shocking. Based on these facts, it appears that the Pari-Mutuel Commission completely failed in their duty to regulate greyhound racing.

Once again, we applaud Attorney General Ayotte for her leadership today. Her recommendations are the first step toward resolving this difficult issue.”

GREY2K USA is a national non-profit greyhound protection organization with more than 15,000 members and constituents nationwide. GREY2K USA opposes greyhound racing as unnecessary and inhumane.
